

BBSC HANDBOOK

OUTLINE

This Handbook is in two Sections.

Section 1: Parts 1 to 15

Matters relevant to a skipper's on-the-water-decision-making.

Section 2: Parts 16 to 20

Items that are useful to have in a hard copy format such as the 2017-2018 Program, a Pre-race Check List and Protest and Redress guides.

To facilitate updating or amendment, each Part is self-contained, separately page numbered and identified by a date and version number.

This Handbook is **not** a substitute for the Notice of Race or Sailing Instructions on the Club's website: www.bbsc.org.au. Reliance on the simplified extracts is **not** a ground for protest or redress.

A protest or redress decision shall be decided having regard to the rules and special regulations in Australian Yachting's Blue Book, the Notice of Race and Sailing Instructions.

Details of race entry forms, fees and prizes and how a boat's handicap may be adjusted, etc appear in the Notice of Race and Sailing Instructions on the Club's website: www.bbsc.org.au

Information about the Club, its Committee of Management and Boat Register also appear on its website.
