

BBSC HANDBOOK SECTION 1, PART 13: USE OF A MOTOR

You must stop or disengage you motor prior to or at the preparatory signal (or in the case of a handicap race, your deemed preparatory signal).

If you might start later than 15 minutes after your starting signal (or in the case of a handicap start, 15 minutes after your starting time) you may use your motor after your preparatory (or in the case of a handicap race, your deemed preparatory) signal provided that after stopping or disengaging the motor, you take a Two-Turns Penalty under sail before crossing the starting line.
