Notes on AMS Ratings:

AMS results will initially not be generated as no 2023-24 re-validations have been sighted at this time.

Races will be re-processed to give AMS results when a majority of 2023-24 AMS ratings are available.

Notes on Initial PHS Handicaps:

Firm Initial PHS Handicaps are carried forward from the end of Bay Cup season 2022-23.

Provisional Initial PHS Handicaps are assigned to boats which are new to the competition or lack recent competitive results. These Provisional Handicaps should be reviewed by the Race Committee after three races and adjusted retrospectively if warranted.

Boats competing in the non-spinnaker subdivision will start with the same Initial PHS Handicap as tabulated above. Note that a minimum of two starters is required to constitute a valid race in any subdivision.
